Dear Attorney Popowski,

I am the Executive Director of the Washington Movers Conference and have been asked to comment on the excellent standing of Jordan River Moving, LLC operating within Washington State.

Mr. Sean Joseph, owner of Jordan River Moving, LLC, is an active member with the WMC. He has been a member of the Board of Directors for more than six years and just this year was elected to a two year term as Board Secretary.

Intrastate moving companies operating within Washington State are highly regulated to standards imposed by the Washington Utilities and Transportation Commission with each operator requiring a reviewed Intrastate HHG Operating Authority issued in the company's name before beginning operations.

Jordan River Moving, LLC has earned more than \$1,000,000 in annual revenue the past calendar year.

Jordan River Moving, LLC is always one of the first members to pay their Quarterly membership dues each quarter and maintains the same payment schedule for Industry Forms and other services invoiced by the WMC.

Mr. Joseph and the employees of Jordan River Moving, LLC consistently maintain the highest ethical standards in all business endeavors.
